03 / PHARMACEUTICAL CONTENT

Pharmaceutical business communication

Aniva · English → Serbian · 2018

SOURCE / ENGLISH	TRANSLATION / SERBIAN
A common denominator in our business is the concept of quality, covering everything from the choice of our suppliers and the raw materials that we use in our products, to the finished product on the shelf and to our business practices.	Заједнички именилац у нашем пословању је концепт квалитета, који покрива све, од избора наших добављача и сировина које користимо у нашим производима, до готовог производа на полици и наше пословне праксе.

Adaptive behaviour

Društvo defektologa · English → Serbian · 2019

SOURCE / ENGLISH	TRANSLATION / SERBIAN
Well-developed adaptive behavior skills are essential to independent functioning. Adaptive behavior describes the typical performance of daily activities and represents the ability to translate cognitive potential into real-world skills.	Добро развијене вештине адаптивног понашања су неопходне за независно функционисање. Адаптивно понашање описује типично извођење дневних активности и представља способност превођења когнитивног потенцијала у стварне вештине.

05 / AVIATION
